06	Check batteries in smoke and carbon monoxide detectors.	
07	Check your emergency supplies.	
08	Remove debris from gutters.	
09	Inspect and upgrade attic insulation and ventilation.	
10	Check and repair caulking around doors and windows.	
11	Check weatherstripping on doors and windows.	
12	Have your fireplace/chimney cleaned.	
13	Clean garbage disposal.	
14	Cover delicate plants.	
15	Inspect fire extinguishers.	

Thank you!

Thank you for downloading the Winter Home
Maintenance Checklist.

Please take a moment to print it out and breeze through
these tasks, ensuring your home is prepared for the cold
weather ahead.
